Introduction and background

The Department for Enterprise's Coronavirus Business Support Scheme ("the Scheme") was established in March 2020 to provide grant assistance to support local businesses in designated sectors that have been financially affected by global COVID-19 pandemic.

The Scheme is made by the Treasury under the Financial Provisions and Currency Act 2011, a copy of which can be found at https://legislation.gov.im/cms/images/LEGISLATION/PRINCIPAL/2011/2011-0021/FinancialProvisionsandCurrencyAct2011_2.pdf

The Tynwald Scheme can be found at <http://www.tynwald.org.im/business/opqp/sittings/20182021/2020-SD-0156.pdf>

The latest Treasury Notice regarding the Scheme can be found at <https://www.gov.im/media/1368921/tynwald-notice-gc-2020-0005-20200331.pdf>

This guidance is issued by the Department for Enterprise under paragraph 12 of the Scheme and sets out how the support is to be administered.

It is intended that the grant and loan payments are used to support the business in numerous ways which can include, but not limited to, the following: -

- Alleviate cash flow issues;
- Paying business liabilities;
- Fund marketing initiatives;
- Invest into the business and its assets; or
- Undertake business improvement projects.

It is hoped that the support provided will help those businesses to continue trading during the current global crisis.

Note that the Department provides other forms of grants and assistance, details of which can be found at www.iomdfenterprise.im/financial-support

For further advice and guidance regarding the Department's grants and assistance schemes and the criteria for eligibility, including the Scheme, potential applicants are encouraged to complete the online enquiry form hosted at www.gov.im/businessenquiries

1. THE CORONAVIRUS BUSINESS SUPPORT SCHEME

1.1 Purpose and scope

The purpose of the Scheme is to provide financial assistance in the form of grant or loan payment(s) to those businesses that meet the Scheme's eligibility criteria (Please refer to 1.3a) and which declare that the COVID-19 pandemic has financially affected their business.

The aim of the assistance is to help sustain qualifying businesses during the ongoing difficult trading conditions with the intention that the supported businesses will hopefully continue to operate during and following the end of the pandemic.

Applicants may wish to note that free of charge support is also available through the [Business Improvement Scheme \(BIS\)](#), Business Advisory Service. The Department provides a consultant to discuss the business, any issues, ideas for business change etc. The consultant will provide a short summary report. This is then followed by a shorter meeting a few months later to review progress and answer any further questions.

1.2 Overview of available support

The Scheme is designed to be flexible and in future has the ability to support additional sectors, multiple funding rounds with varying amounts of support is potentially available.

Initially, the Scheme offers financial support to eligible businesses in the form of a grant payment of £3,000.

The Scheme allows for the business/self-employed person to mothball or temporarily cease trading in line with the Government issued guidance, however it should be noted that if the application for the Scheme is approved, the business/self-employed person **will not** be able to apply for Manx Earnings Replacement Allowance (MERA).
