1. THE STRATEGIC CAPACITY SCHEME (TOURIST ACCOMMODATION)

1.1 Introduction

The Department for Enterprise's Strategic Capacity Scheme (Tourist Accommodation) ("the Scheme") was established in March 2020 to provide grant assistance to support the tourist accommodation sector local businesses that have been financially affected by global COVID-19 pandemic.

For the purpose of the Scheme the following definitions shall apply:

"Local Supply Chain" means suppliers contractors and businesses supplying Tourist Accommodation which have their ordinary place of business resident on the Isle of Man;

"Mothball" means Tourist Accommodation which is currently voluntarily closed by the proprietors but which shall reopen for business as Tourist Accommodation no later than April 2021 for the avoidance of doubt this includes the derivative terms "Mothballed" and "Mothballing" as the context requires;

"Round 1 Funding" means funding provided under the Scheme for the period 1st April until 30th June 2020;

"Round 2 Funding" means funding provided under the Scheme for the period 1st July until 30th September 2020;

"Tourist Accommodation" means a business with income wholly or mainly from any of the premises specified in Schedule 4 to the Tourist Act 1975 and duly registered in accordance with that Act excluding permanent and temporary campsites and Homestay.

1.2 Background

The Strategic Capacity Scheme was formed in March 2020 to support Tourist Accommodation businesses through the Round 1 Funding period.

The Scheme has now been extended to cover Round 2 Funding. For Round 2 Funding, the scope of the Scheme has been extended to include 2 Star and below properties in line with the new policy principle of providing fair and equitable support across the sector.

Operators of 2 Star and below properties are also eligible to apply retrospectively for Round 1 Funding.

1.3 Purpose

The purpose of the Scheme is to provide financial assistance to Tourist Accommodation businesses. This is to ensure the Island retains its strategic tourist accommodation capacity during the COVID19 crisis. The Scheme is intended to assist a more rapid recovery as the situation improves.

By providing targeted financial assistance, the intent is that the strategic capacity of the Tourist Accommodation sector will be maintained during a period of little, or no, revenue. This support is provided towards the costs of maintaining strategically important accommodation stock and facilitating Mothballing of businesses over the affected period.

The aim of the assistance is to help sustain qualifying businesses with the intention that businesses will continue to operate during and following the end of the pandemic It is the intention of the Scheme to provide support to businesses assisting them to uphold the reputation of the Isle of Man as a visitor destination and to maintain lasting positive relationships with visitors.

Round 1 Funding is provided so that accommodation providers can pay their business creditors in the Local Supply Chain and Mothball their business.

Round 2 Funding is provided on the condition that accommodation providers:

- Pay debts within the Local Supply Chain.
- Offer and allow any customer deposits, advance payments or bookings which had not been able to be honoured in 2020 as a direct result of the emergency measures in respect of the Island's borders, to be rolled over to the equivalent periods in 2021 as a minimum.
